The report downloaded successfully and satisfies the reporting requirement for SLAB exporters and you may disregard the certified reminder letter.

Thank you for your attention in the matter.

Dear Ms. Coughlan

I finally returned to home. I was not able to take a care of this matter sooner owing to my father's funeral service in my mother' country, Korea.

I revised the original annual report as you directed.

Please find the attached. If it is not sufficient, please let me know by the email.

I will hold the signed one until I have your response, if it is permissible.

Thanks,

Best Regards,

Hanglae Cho

I have tried several ways to open the two attachments you sent, including using my personal gmail account, but it keeps giving me an error message.

Please try to find an alternative file type to send them in.

Thank you.
